Njara**Umbu****Rambu**

Howdy, Umbu! It's time to get fresh and clean. I've got some detergents for you!

Hey Njara,
Thanks for the offer, but
I'm more of a soap and
shampoo person.
Let's keep the detergent just
for our laundry, deal?

Njara, what's the tail-wagging obsession about?

Let's get rid of the lice

My body seems to be a playground for fleas and flies!

If you keep your hair clean and brushed, lice will not like the smell and will be less likely to make themselves at home.

Don't allow lice to make themselves too comfortable.

Let's get rid
of the lice

I'm over the moon!
My body is in a lie-free zone now!

Hey, did you catch that
sweet tune from the
Jungga guitar?

Did the sound
take a nap??

Is my hearing
on mute?

Hey kiddos, let's head back to base camp and ask
Mama to give those ears a good scrub.

If there's too much gunk in there, how can you hear
who's jamming on the Jungga?

Look at this!
My pearly whites
shine like the
North Star

What makes ours
yellow?

Put plaster

Sir, Madam, please don't smoke around the children!
