Kawan Sehat Book Donation Package

Primary Medical Care / Kawan Sehat Agents · East Sumba, Indonesia

BUDGET NEEDED

CHF 15

Total budget required to carry out this project.

One package gives a teacher in East Sumba a storybook, a storytelling guide and supplies for health lessons. Children follow Rambu, Umbu and Njara the horse through everyday life in Sumba.

WHAT THIS PROJECT AIMS TO CHANGE

- Teachers can repeat the lessons in class.
- Children can explain what they learned.
- Health agents can revisit stories at home.

01. WHY THIS PROJECT

About 30 to 40 schools already have the printed book. Kawan Sehat health agents have their own copies and use the guide when they visit homes with children. We want every school and teacher in East Sumba to have access to the same materials.

Fair Future Foundation and Kawan Baik Indonesia created the book with illustrator Bayu Bhargawa, who drew the scenes by hand. Across about twenty illustrated scenes, children recognise their own surroundings as they talk about safer drinking water, caring for small wounds and keeping cigarette smoke away from children. We add new scenes as the book develops.

02. DELIVERY AND FOLLOW-UP

PLANNED ACTION

Print both publications in Bahasa Indonesia and distribute them with supplies for educational activities. The A4 storybook has a soft cover and ring binding, with Blueswhite paper. Its cover weight is to be confirmed. The A5 storytelling guide has a 260 gsm soft cover, standard book binding and 100 gsm HVS paper. It gives teachers and health agents prompts to discuss each scene with children.

BUDGET BREAKDOWN

Expense	Qty	Unit cost	Total
One complete teaching package (IDR 320,000)	1	15	15
Total · CHF			**CHF 15**

RESPONSIBLE TEAM

Fair Future Foundation and Kawan Baik Indonesia, through Primary Medical Care.

INDICATIVE TIMETABLE

Confirm the print run and distribute in batches as funding becomes available.

HOW WE WILL REPORT BACK

Record the packages delivered and the schools reached. During follow-up visits, ask teachers which stories they used and invite children to explain one habit they remember.
