Project funding application

For associations and community groups in eastern Indonesia

What projects can you propose?

We give priority to East Sumba. Your project must address a local need and fit Fair Future Foundation's mission.

Examples include safe water access, a water tank, education or school improvements, medical care, an outreach day, a wheelchair or medical equipment.

Budget only for costs needed to carry out the project.

Fill out the PDF on screen and save it, or print it and write by hand. Use estimates where needed and explain where they come from.
